

Nekromantix, Hellstreet

Don't go down that street at night, I was told
If you do it anyway you're never gonna get old
Little kids and rotting teeth, that's Hellstreet
Oh I scream, oh I cry, I don't wanna die

Don't wanna die in Hellstreet
I don't wanna die in the Hellstreet
Don't wanna die

Walking down that street at the dark ancient grave
Ancient rites and sinning skulls say kill kill kill
Little kids and rotting teeth, that's Hellstreet
Oh I scream, oh I cry, I don't wanna die

Don't wanna die in the Hellstreet
Don't wanna die in the Hellstreet
I don't wanna die

Don't wanna die in the Hellstreet
Don't wanna die in the Hellstreet
I don't wanna die in the Hellstreet
Don't wanna die

Don't go down that street at night, I warn you
Torture and eternal pain is what I'm going through
Smell of death and rotting teeth, that's Hellstreet
Oh I scream, oh I cry, Jason let me die

Let me die
Please let me die down the Hellstreet
Oh let me die let me die
