

# Nektar, King Of Twilight

When the King of twilight shows me,  
I will take ten steps to see.  
Forty leaves I pay for freedom.  
For a chance to be free,  
for a chance to be free.  
When the King of twilight calls you,  
Take a step and you will see.  
We all need a quick solution,  
For a chance to be free,  
for a chance to be free.  
When the King of twilight shows me,  
I will take ten steps to see.  
Forty leaves I pay to freedom,  
For a chance to be free,  
For a chance to be free!
