

Nektar, King Of Twilight

When the King of twilight shows me,
I will take ten steps to see.
Forty leaves I pay for freedom.
For a chance to be free,
for a chance to be free.
When the King of twilight calls you,
Take a step and you will see.
We all need a quick solution,
For a chance to be free,
for a chance to be free.
When the King of twilight shows me,
I will take ten steps to see.
Forty leaves I pay to freedom,
For a chance to be free,
For a chance to be free!
