

Nelly, Dilemma

I love and I need you
Nelly, I love you, I do
Need you

No matter what I do
All I think about is you
Even when Im with my Boo
Boy, you know Im crazy over you

No matter what I do
All I think about is you
Even when Im with my Boo
You know Im crazy over you

Uh-uh-uh-uh
I met this chick and she just moved right up the block from me
And she got the hots for me, the finest thing I need to see
But oh, no, no, she got a man and a son, oh-oh, but thats okay
Cause I wait for my cue and just listen, play my position
Like a shortstop, pick up erything mami hittin
And in no time I better make this friend mine and thats for sure
Cause I-I never been the type to break up a happy home
But theres something bout baby girl, I just cant leave her lone
So tell me, ma, whats it gonna be
She said, You dont know what you mean to me, come on

No matter what I do
All I think about is you
Even when Im with my Boo
Boy, you know Im crazy over you

No matter what I do
All I think about is you
Even when Im with my Boo
You know Im crazy over you

Uh-uh-uh-uh
I see a lot in your look and I never say a word
I know how n****s start actin trippin , and hate up all the girls
And theres no way Nelly go for it
Aint f***in with no dame, as you could see
But I-I like your steeze, your style, your whole demeanor
The way you come through and holler, and swoop me in his two-seater
Now thats gangsta and I got special ways to thank ya, dont you forget it
But it aint that easy for you to back up and leave him
But you and me we got ties for different reasons
I respect that and right before I turned to leave
She said, You dont know what you mean to me, come on

No matter what I do
All I think about is you
Even when Im with my Boo
Boy, you know Im crazy over you

No matter what I do
All I think about is you
Even when Im with my Boo
You know Im crazy over you

Sing it for me, K

I love and I need you
Nelly, I love you, I do
And its more than youll ever know

Boy, its for sure
You can always count on my love
Forever more, yeah, yeah

East coast, I know youre shakin right
Down south, I know youre bouncin right
West coast, I know youre walkin right
(Cause you dont know what you mean to me)
Midwest, I see you swingin right

No matter what I do
All I think about is you
Even when Im with my Boo
Boy, you know Im crazy over you

No matter what I do
All I think about is you
Even when Im with my Boo
You know Im crazy over you

East coast, I know youre shakin right
Down south, I know youre bouncin right
West coast, I know youre walkin right
(You dont know what you mean to me)
Midwest, I see you swingin right

East coast, youre still shakin right
Down south, I know youre bouncin right
West coast, I know youre walkin right
(You dont know what you mean to me)
Midwest, youre still swingin right

No matter what I do
All I think about is you
Even when Im with my Boo
Boy, you know Im crazy over you

No matter what I do
All I think about is you
Even when Im with my Boo
You know Im crazy over you

Yeah, yeah

East coast, I know youre shakin right
Down south, I know youre bouncin right
West coast, I know youre walkin right
(You dont know what you mean to me)
Midwest, I see you swingin right

East coast, youre still shakin right
Down south, I know youre bouncin right
West coast, I know youre walkin right
(You dont know what you mean to me)
Midwest, youre still swingin right
