Nelly feat. Tim McGraw, Deep Swing - This Is The

This is the sound for the soul this is the rhythm of the love This is the sound for the soul this is the rhythm of the love this is the music of the love

The music take in your eyes I'm believing in the sound

This is the sound for the soul this is the rhythm of the love This is the sound for the soul this is the rhythm of the love this is the music for the love This is the sound for the soul this is the rhythm of the love This is the sound for the soul this is the rhythm of the love

The music take in your eyes I'm believing in the sound the sound of the music all over the world that's all we mean
