And went to VA, oh, got my friends
Say what's up, Pharrell

(Pharrell)

Look whats on the nail

Yeah but, let's show 'em what's above the nail, bling
A hundred thou couldn't get you one of these (Not one of these)
I guarantee it ain't a flaw on one of these (One of these)
Two hundred thou, couldn't get you in the league
Get three hundred thou, you couldn't even buy the keys
I think you need to add 50 more G's
Now, shall I proceed?

(Ladies)

Yes, indeed (Ho)

I need to see you take it down to the floor
Spread your wings, if you real ma, fly real low
Pause for a second ma, grind real slow
And if you do it right
All day we'll go (Ho)
I talk a lil' Fred Seigal girl (Seigal, girl)
Bonnie and Judy Lee with your bag all beaded, girl
Apple bottom pair underneath it
You talkin like you don't need it
I can tell you see it
I like that in you
I don't see nothin wrong
Drop down and get your eagle on (Woah)

OPP time, now let's get naughty

Throw your nose up ma, and get rude if you wanna
Ain't got nothin to lose, nor to prove
Babygirl soaked like she just got out of the pool (Eh)
I know you're thirsty ma
Go ahead and order whatchu want
Some call it trickin, go ahead and call it whatchu want
I came to ball, I ain't come out here to front
Cause the black card will pick-up what the grey card wont
Attractiveness

Glutious maximus
She wanna fly south for the winter (For the winter)
I might just go down south just to win her (Just to win her)
