

# Nelly Furtado, Crazy (Live Lounge)

I remember when.. remember when I lost my mind  
There was something so pleasant about that phase  
Even your emotions had an echo  
in so much space

When you're out there without care  
I was out of touch  
But it wasn't because I didn't know enough  
I just knew too much

Does that make me crazy?  
Does that make me crazy?  
Does that make me crazy?  
Probably..

And I hope that you're having the time of your life  
But think twice  
That's my only advice

Come on now  
Who do you, who do you, who do you think you are? (huh)  
Bless your soul  
You really think you're in control

Well I think you're crazy  
I think you're crazy  
I think you're crazy  
Just like me..

My heroes have the heart to lose their lives out on the limb (yeah)  
All I remember.. is thinking I want to be like them (yeah)  
Ever since I was little, ever since I was little  
They looked like fun  
And it's not coincidence I've come  
I can die when I'm done

But maybe I'm crazy  
Maybe you're crazy  
Maybe we're crazy  
Probably..

Maybe I'm crazy  
Maybe you're crazy  
Maybe we're.. crazy

Probably..
