

# Nelly Furtado, Party (Reprise)

Picatinga, pequenina

I'm talking to the mirror again but it's not listening  
I'm cleaning my dirty mind like a toilet but it won't give in  
No Bebendo vinho para tocar no meu espirito, mesmo nesta hora, nesta hora  
I'm drinking spirits in the hopes that I will find myself one  
But all I can rectify is that the party's just begun

[Chorus:]  
Party's just begun  
Party's just begun  
Party's just begun  
Party's just begun

Baracating, Baracating ah Quero dormir

I feel like falling asleep and never waking up  
Parabababa  
When all of the doors around me just shut one by one, one by one one by one  
I feel like falling asleep but the party's just begun

[Chorus]

Dum, dum, dum, dum, dum  
So cinco agor,a ah?

Shaky shaky steps in the middle of the day  
A fire in my path and a cool decay  
Fogo, fogo, fogo  
But it'll be cold in hell, it'll be cold in hell  
Before they put me in that chamber  
ahhahah  
So I'm cleaning up as fast as I can  
I'm cleaning up as fast as I can  
'cause you can't unbreak what you break, you can't unfake the very fake  
You cannot fuel without a tank,  
no you can't unbreak what you break, what you break  
you can't unbreak what you break, you can't unfake the very fake  
You cannot fuel without a tank,  
no you can't unbreak what you break, what you break  
ahahahahahahahah

[Chorus x 2]  
you can't unbreak what you break, you can't unfake the very fake  
You cannot fuel without a tank,  
no you can't unbreak what you break, what you break

A festa j acabou, j acabou!
