

# Nelly, No Matter What I Do

I love you and I need you  
Nelly, I love you, I do  
Need you  
No matter what I do  
All I think about is you  
Even when Im with my Boo  
Boy, you know Im crazy over you  
No matter what I do  
All I think about is you  
Even when Im with my Boo  
You know Im crazy over you  
Uh-uh-uh-uh  
I met this chick and she just moved right up the block from me  
And she got the hots for me, the finest thing I need to see  
But oh, no, no, she got a man and a son, oh-oh, but thats okay  
Cause I wait for my cue and just listen, play my position  
Like a shortstop, pick up erything mami hittin  
And in no time I better make this friend mine and thats for sure  
Cause I-I never been the type to break up a happy home  
But theres something bout baby girl,  
I just cant leave her lone  
So tell me, ma, whats it gonna be  
She said, You dont know what you mean to me, come on  
No matter what I do  
All I think about is you  
Even when Im with my Boo  
Boy, you know Im crazy over you  
No matter what I do  
All I think about is you  
Even when Im with my Boo  
You know Im crazy over you  
Uh-uh-uh-uh  
I see a lot in your look and I never say a word  
I know how n\*\*\*\*s start actin trippin,  
and hate up all the girls  
And theres no way Nelly go for it  
Aint f\*\*\*in with no dame, as you could see  
But I-I like your steeze, your style,  
your whole demeanor  
The way you come through and holler,  
and swoop me in his two-seater  
Now thats gangsta and I got special ways to thank ya,  
dont you forget it  
But it aint that easy for you to back up and leave him  
But you and me we got ties for different reasons  
I respect that and right before I turned to leave  
She said, You dont know what you mean to me, come on  
No matter what I do  
All I think about is you  
Even when Im with my Boo  
Boy, you know Im crazy over you  
No matter what I do  
All I think about is you  
Even when Im with my Boo  
You know Im crazy over you  
Sing it for me, K  
I love you and I need you  
Nelly, I love you, I do  
And its more than youll ever know  
Boy, its for sure  
You can always count on my love  
Forever more, yeah, yeah
