

Nelly, On The Radio

Oh oh
Oh oh
You liked me 'til
You heard my sh*t
On the radio
Well I hate to say
But pop ain't going solo
You liked me 'til
You heard my sh*t
On the radio
But now Im just too
Mainstream for you
Oh no
You liked me 'til
You seen me on your TV
Well if youre so low
Below then why you watching
You say good things
Come to those who wait
Well Ive been waiting
A long time for it
Chorus:
I remember the days
When I was so
Eager to satisfy you
And be less then I was
Just to prove I
Could walk beside you
Now that Ive
Flown away
I see youve chosen
To stay behind me
And still you curse the day
I decided to stay
True to myself
You say your quest
Is to bring it higher
Well I never seen
Change without a fire
But from your mouth
I have seen a lot of burning
But underneath
I think its a lot of yearning
Your face, the colors
Change from green to yellow
To the point where
You cant even say hello
You tell me youd kill me
If I ever snob you out
Like thats what youd
Expect from me
Like thats what Im about
Chorus
Its so much easier
To stay down there
Guaranteeing youre cool
Than to sit up
Here exposing myself
Trying to break through
Than to burn
In the spotlight (open fire!)
Turn in the spitfire (open fire)
Scream without
Making a sound (open fire!)

Be up here and
Not looking down (open fire!)
Because were all
Afraid of heights
Chorus
Myself (x24)
