

Nelly, The Lip Song

if my lips over lapped my mouth packed there bags and headed south that be too bad id be so sad
if my lips said adios i dont like you i think your gross that be to bad i might get mad that be to bad y
if my lups moved to delouth left a mess and took my tooth that be to bad id call me dad that be to b
so what your saying is.. that be to bad youd be soo sad you might get mad youd call you dad that b

larry tell us about your child hood

when i was just four years old i lft my lips out in the cold and they turned blue what could i do they t
