

# Nelly, The Other Side

U wanna cum go with me ( my nigga ) that aint no problem (my nigga) cum on  
I say u dont really wanna go i can tell but im gonna take ya ne way what the hell  
So cum on get on n da ride and let me take ya to the other side

( repeat )

I say inhale exhale I heard ya clin tell doin well

I see ya boomin out the STL

I heard ya even have a child now, look at dat!

My baby mommy had a bow wow

My nigga ya need to calm down before the county run up in ya house

But u dont wanna go its too late now the fez knocking at ya door

U took the bait

They got taps on ya mobelphones and they use survallince all around ur home

Now ya pawning everything ya own callin all ya partners for a lone

No more slippin slidin on the crone

Now ur good days have cum and gone i tried to tell ya

I say u dont really wanna go i can tell but im gonna take ya ne way what the hell

So cum on get on n da ride adn let me take ya to the other side

( repeat )

I say baby girl whats ur name and tell me whats ur clam to fame

O i can tell u do ur thang just by chekin out ur diamond rang

i see you at the mall every day buyin channel fendi donna k

Plus i heard they took ur job away

U got ur kids shit on layaway

U got a full fine infiniti ( Ur livin large )

Like ur last name was Kennidy ( or eldebar)

O i just cant believe that ur needed money riestly

The kids ask me what they mommy do and y she lock us n our bedroom

I think mommy gettin paid to screw coz every night its a different dude ( damn )

im tryin to tell ya i say u dont really wanna go i can tell

But im gonna take ya ne way what the hell

So cum on get on n da ride and let me take ya to the other side

( repeat )

ya man i gotta hold on u now tell me whatcha doin skippin school

i see ya runnin wicha lil crew fightin on the red and blue

So now u wanna play a game you've heard ..... and that aint it

U started out with cronict on the brain now ya smokin other fedimine

I aint tryin to sell ya dreams just tryin to show ya that theres other ways than gettin creamed  
take it from me just go to school and
