

# Nelson, I Got A Feelin'

Well I've got a feeling  
That I'm gonna get you  
Say I've got a little feeling  
That it won't be long  
Till I hold you in my arms and, baby,  
That's where you belong

Well I've got a feeling  
That you think about me  
Well I've got a little feeling  
And I hope it's true  
'cause nobody else could want you so  
And love you like I do

Well I got a feeling  
That our love was meant to be  
And there's a whole wild world of happiness  
Just waitin' for you and me  
So why don't you tell me  
That you love me only

'cause I got a feeling  
That you really do  
And I never had this feeling  
Till I fell in love with you
