

# Nemesea, Threefold Law

'Audias attente  
Antequam agis meditare  
Etenim est lex vetusta  
Foedus sagis olim factum  
Memento semper legis trium  
Ter quod das  
ad te reveniet  
Tantum acquires quantum merenis!  
Listen very carefully!  
Think well before thou act!  
'Cause there's an ancient law  
An olden witches pact  
Thirteen witches came together  
at midnight in a wood  
A chalice with wine and their blood  
and no difference between evil and good  
Ever mind the rule of three  
Three time what thou givest  
will return to thee!  
The witches wrote it down on vellum  
'cause it's important to learn  
So everyone could read  
"thee only gets what thou dost earn";
