

# Nemesis, Host From Kingdom Of Lion

[Music by Libor Krvk / Lyrics by Toms Suchack]

The end gets near  
Fear controls your soul  
Hell opens door  
And from there riders roll  
Defenders fell  
Weapons have not the room  
Fighters of darkness  
Change all into doom.  
Foemen are sleeping  
When salvation reveals  
Mythic hosts here  
hold a strenght made of steel.  
Bravery breaks  
Number at battlefield  
Kingoms redeem  
Wounds of fate will be healed.  
From lost wars  
sears cover our soul  
from shedding tears  
time can't wipe this fault  
all along dead revives  
for ccentury of blame  
burdens tie us down  
for ancestor's reamin  
all the kings uncrowned  
glow like a fire in the heart.  
HOSTS FROM KINGDOM OF LION  
THEIR FIGHT WILL NEVER END  
VEIL OF TWILIGHT,  
MAGIC MIGHT  
FROM NAILS OF DAYS PREVENT  
HOSTS FROM KINGDOM OF LION  
IN HARDEST WHILE ARISE  
THOUSAND LINES  
OF NOBLE KNIGHTS  
REVENGE OUR SACRIFICE
