

# Neo Cortex, Elements

(bring on the elements)  
(elements)  
(bring on the elements)

feel this fire deep inside  
burning strong where you cant hide  
join the elements tonight  
can see the light  
when the darkness comes too strong  
dont forget you're not alone  
join the elements tonight  
and feel the light  
(the light)  
and feel the light  
(elements)
