

Neo, So Sick Of Love Songs

Gotta change ma answering machine
No that I'm alone
Cos right now it says that we
Can't come to the phone
And I know it makes to sence
Cos you walked out the door
But it's the only way I hear your voice
Anymore

(It's ridiculous)
It's been months for some reason I
(Can't get over us)
And I'm stronger than this
(Enough is enough)
No more walking 'round with ma head down
I'm so over being blue
Crying over you

(Chorus)
And I'm so sick of love songs
So tierd of tears
So done with wishing
You were still here
Said I'm so sick of love songs
So sad and slow
So why can't I turn off the radio?

Gotta six that callender I had
That's marked July 15th
Cos since there's no more you
There's no more anniversery
I'm so fed up of my thoughts of you
And your memories
And now every song reminds me
Of what used to be

(Chorus)
That's the reason I'm
And I'm so sick of love songs
So tierd of tears
So done with wishing
You were still here
Said I'm so sick of love songs
So sad and slow
So why can't I turn off the radio?

O-o-h (Leave me alone)
Leave me alone (Stupid love song)
Hey,
Don't make me think about her smile
Or having my first child
Then lettin go
Turning of the radio

(Chorus x3)
Cos I'm
And I'm so sick of love songs
So tierd of tears
So done with wishing
You were still here
Said I'm so sick of love songs
So sad and slow
So why can't I turn off the radio?
(So why can't I turn off the radio?)

Why can't I turn off the radio?
