

Neon Horse, Kick Yer Askin' For It

(Whatchoo lookin at?!?!)

(Keep your tongue behind your teeth, man...)

The loosest of cannons.

The loosest of screws.

Monkey in the wrench, baby.

I love what I do.

It's the end of the world.

So beautiful and so pure.

Keep your diamonds and gold.

We'll watch it all unfold and come undone.

(Open up on you like a flower)

(I can go all day!)

I'm the horn - not the bull, see?

I'm the ache in the tooth.

Pain in your assssssskin' for it!

Not a thing you can do.

(Ugly as a mud fence)

(Whatchoo lookin at?!?!)

(A face no mother could love!)
