

# Nephew, A Wannabe Darth Vader

Come on, get up  
Get down  
Like Mickey Mouse  
On crack cocaine

Around  
and round  
Like a fucked up song  
By a fucked up Dane

I call the shots  
A Motorola shooting star  
I shoot the calls  
A wannabe Darth Vader

A wannabe Darth Vader  
A wannabe Darth Vader  
A wannabe Darth Vader  
Oh, Darth Vader

Stand out  
Predict  
Pretend like Jacques Chirac  
With a pink cigar  
Kick back  
And spend  
Like a nine inch nail  
In a nine inch car

A spoof on speed  
A technotron with technostar  
A proof of cheat  
A wannabe Darth Vader

A wannabe Darth Vader  
A wannabe Darth Vader  
A wannabe Darth Vader  
Oh, Darth Vader

Shut up  
Get in  
And shout  
I'll see you soon - no later  
Breathe in  
Breathe out  
You'll see me moon - Darth Vader

A wannabe Darth Vader  
A wannabe Darth Vader  
A wannabe Darth Vader  
Oh, oh oh  
Oh, oh, yeah  
Yeah yeah
