

Nephew, Carlsberg Nights

Shaving off
shaving cream
for a [http://en.wikipedia.org/wiki/Carlsberg_Group Carlsberg] night
for a whiskey fight

Taxi dreams
in foggy steams
anti compliments
anti making friends

For a beating
it's just taking place

Carlsberg sleep
I'm whiskey weak
wanna go all the way
and hurt my prey

For a beating
it's just taking place
