

# Nerdeee, Broken Glass

Morning comes every time  
Lasting until the night  
And lately it's been hard to see  
Reasons to get on my feet  
Searching some kind of light  
This tunnel is darker than night  
And I'm aching, I'm breaking inside  
But you can't see through my smile

Chorus:

Broken glass under my bare feet  
you are like a flame that burns me from within (haa, haa)  
Like a curse you haunt me in my dreams  
you are like an itch that's under my skin (haa, haa)

Now when people get close  
They feel the thorns of the rose  
And I'll break them, I'll tear them apart  
I'm cruel 'cause you stole my heart

Chorus

Now you are where I used to be  
Feeling what I used to feel  
How does it feel?  
How does it feel?

Chorus

Broken glass
