

# Nerdie, Slimy

Wake up and I don't know where I am,  
make up all fucked up on my face,  
world is a crazy place,  
it's slimy, slimy, but I can't live without it.

Kitchen, where's the kitchen, gotta find some coffee.  
This pain in my head is killing me,  
where's the goddamn coffee,  
it's slimy, slimy, but I can't live without it.

Yesterday, fade away from my memory.  
I can see I've been crying but I don't know why,  
you must have hurt me now,  
you're slimy, slimy, but I can't live without you,  
this song is slimy, slimy, for me, for me, for me!
