

# Nerf Herder, Welcome To My World

Sitting in my boxers, eating apple jacks  
Welcome to my world  
Welcome to my woorld  
Wacking it to late night cinemax  
Welcome to my world  
Jaegermeister and captain crunch  
Nicotine and the brady bunch  
Building a boat outta pudding cups  
Welcome to my world  
Welcome to my wooorld  
Non-stop no girl action without you

This old shirt is starting to stink  
I dont give damn what people think  
I can take a leak in the kitchen sink  
Welcome to my world  
No you needn't shed a tear  
Cause I've got waffles and I've got beer  
And I've got Mr. Belvedere  
Welcome to my world  
Welcome to my woooooorld  
Non-stop no girl action without you, oh yeah

Don't wanna be here, don't wanna be here tonight  
Can stand another, episode of cheers tonight  
I hate that Woody, I hate Diane  
Frasier and Norman, that dumbass mailman...
