

Nesian Mystik, It's On

(Te Awanui)

Mr. Sound selector

Hook me up with a melody

Mr. Sound selector Oh yeah

Hit me with the beat c'mon

Verse 1

(Feleti)

Leave your vocal points at the door

No submerged rhymed tactics

Keep your soul

Whilst shattering verbal lyrical fractures

All content seen in context, it just reflects

When the beat pulses the systems

Who knows what comes next?

Architect of the Arch musical Dynasty

Once again another set from the S.A.B.R.E

Headphone set alight from the heat we supply

Voltage on high elements elevate to the sky

Derive the means live slim

But never shady on premier

Cultivating, Navigating, air raiding through sound layers

Debutant when first dropping beats elevating vinyl cuts

You didn't see it coming till the force pressure motion to bust

Raw facts, true essence don't echo through all raps

We need to counteract bringing them soul claps

Ignite roots connection, Express new projections

Innovative, creative styles in which we blessed with

Chorus

(Te Awanui)

It's on, it's on tonight

(We came to get up all night)

On and on tonight 2x

Verse 2

(Junior)

Audio speaking through your speakers

The system's out of commission

Pay attention concentration this art of verbal expression

Under pressure the compression of disruption to the nation

Causing radio eruption verbal destruction

Music construction this verbal transmissions our way of life

Verbally expressin our expressions through music we're causing hype

M.C, Old, Awa,D, Sabre, Health, J.P

Bringing you recipes hot flavours with the beats now

You can't forget about the melodies, harmonies

Flowing systematically (yo this is how we do it)

Possibly this domination will effect

(ooh yeah)

With unpredictable MC's unite collaborate

(Now Baby)

"Stereodic" ability disables this negativity

Dropping new components as we be rocking through this industry

Sufficient dynamics displayin real satisfactory

Systematically alive pushing through the boundaries

(Te Awanui)

Now all we want to do is feel the vibe to take us higher

(Donald)

Yo here comes another one unlike them other ones

Melodic and hypnotic psychotic and patriotic

(Te Awanui)

Girl let your body flow let your body flow

Now fire it up, now fire it up

Verse 3

(Donald)

Automatic system and vinyl cipher kinetics

Microphone intimidation impenetrable phonetics

Lyrical mentality a syndication of style

Prepare to battle on the mic

Generation NESIAN CHILD

So whats your cipher pick up the vibe and turn the lights on

Semantic imagery of audio system we ride on

Let bygones be bygones you know you can rely on

The beat to carry the melody prolifically all night long

(Te Awanui)

It's on to the break of dawn

Nesian Style party all night long its on

(Donald)

View sound through all types of audio spectrums

Contenders reigns are short lived once we rock their sections

I come complex with flows like Sabre, Trax and N.A.T did

Orbit the mic Beastie Boys Intergalactic

Chorus
