

# Neurofunq, Nobody (Feat. Wojciech Schmach)

Nobody Was show me the way  
Nobody Was show me the way  
Nobody Was show me the way

I know I am close to open the door  
Just need a courage of my heard  
Whenever you are  
Just go to the light  
And you will find me staying by

Nobody Was show me the way  
Nobody Was show me the way  
Nobody Was show me the way

I will find the answer to all of you question  
Just open just open the door  
This is a promise of your life

The clock is ticking  
The always is written in the skies  
always is written in the skies

I know I am close to open the door  
Just need a courage of my heard  
Whenever you are  
Just go to the light  
And you will find me staying by
