

Neva Dinova, Funeral Home

Got my jacket on, got my suit on
I'm goin' down to the funeral home
'Cuz there's a lady there and she's waitin'
Wants to see me and get my drink on

I can't be sure if it's her
Oh it looks like her, I don't know
Got my jacket on, got my suit on
I'm goin' down to the funeral home

Oh oh oh, oh oh oh . . .
