

Neva Dinova, No One Loves Me

Can my heartbeat wait
For the words to say
Who do I love the most
The son or the ghost
And whom do I respect
One of them is dead
No one loves me
Like I love thee
Twenty bucks and hour
Buys me a shower
Scrubbin off the filth
When I take my pills
Gonna drink it all
Brother fill my cup
No one loves me
Like I love thee
And my heart is without you
Now you know
You know
