

Neva Dinova, Someone's Trippin'

Someone's trippin'
How you didn't call it back
and you didn't wanna talk

found my mission
ain't no one on the side
and i do not want to fight you

i'm livin' up on top a hill
i seen you comin' Jill
you're swimmin'
in the slipstream of the ----
flyin' off another ----

one dragon
like the one i tried to kill
when you loved me still

but you don't want me still
now . . .

i'm dreamin'
gettin' better all the time
that life's not --- fight

and i went someplace to hide

and the ----ivory

tell you now
