

# Neva Dinova, Someone's Trippin'

Someone's trippin'  
How you didn't call it back  
and you didn't wanna talk

found my mission  
ain't no one on the side  
and i do not want to fight you

i'm livin' up on top a hill  
i seen you comin' Jill  
you're swimmin'  
in the slipstream of the ----  
flyin' off another ----

one dragon  
like the one i tried to kill  
when you loved me still

but you don't want me still  
now . . .

i'm dreamin'  
gettin' better all the time  
that life's not --- fight

and i went someplace to hide

and the ----ivory

tell you now
