

# Neve, Digital On

Come On People Sayin' One Thing  
cause Anyone Here Can See  
Come Alive cause Of One Thing  
It's A Waste Of Time  
Take A Picture Of Yourself Now That  
That You're Always Right About Just Only One

Chorus

I Will Do What I Like  
And You Cannot Say What's Right  
And You Won't Change My Mind  
Alright Alright

I Will Do What I Like  
And You Cannot Say What's Right  
And You Won't Change My Mind  
Come Away cause You Don't  
Think About no No'  
Every Time That You Don't Realize  
You Come Undone

Take A Picture Like You Know It's True  
Cause You're Acting Like It's Nothing  
But You Know It's True  
Forget Those Things

That I Said Before  
Because I Know That's Not  
What You Hate Me For

Chorus

I Will Do What I Like  
And You Cannot Say What's Right  
And You Won't Change My Mind  
Alright Alright

I Will Do What I Like  
And You Cannot Say What's Right  
And You Won't Change My Mind  
Forget Those Things

That I Said Before  
I'm Just Not Sure  
What You're Waiting For  
And I Thought That I'd Know  
How To Deal With This  
But I Just Don't Know  
Exactly What This Is

Chorus

I Will Do What I Like  
And You Cannot Say What's Right  
And You Won't Change My Mind  
Alright Alright

I Will Do What I Like  
And You Cannot Say What's Right  
And You Won't Change My Mind
