

# Nevermore, Believe In Nothing

Into a strange new world,  
Into the after all, your tears,  
Might find you've fallen too far  
Take another look,  
Take another ride  
Can't we make them leave the hate behind

And I still believe in nothing  
Will we ever see the shape of tomorrow?

Into the empty storm,  
Into the formless loss of hope,  
Where we can forget the game  
And I still believe in nothing  
Will we ever see the cure for our sorrow?

Nothing is sacred when no one is saved  
Nothing's forever so count your days  
Nothing is final and no-one is real  
Pray for tomorrow and find you're empty still

Nothing is sacred when no one is saved  
Nothing's forever so count your days  
Nothing is final and no-one is real  
Pray for tomorrow and find you're empty

Nothing is sacred when no one is saved  
Nothing's forever so count your days

Nothing!
