

# Nevershoutnever, Trouble

Im in trouble, Im an addict,  
Im addicted to this girl.  
Shes got my heart tied in a knot  
And my stomach in a whirl.  
But even worse, I cant stop calling her,  
Shes all I want and more.  
I mean, damn, whats not to adore.  
Ive been playing too much guitar,  
Ive been listening to jazz.  
I call so many times, I swear shes going mad,  
And that cellular will be the death of us, I swear, I swear.  
And oh, oh oh, oh oh, oh oh,  
Ooooooh, ooh ooh.  
Im running my mouth just like I got her,  
But I surely dont.  
Because shes so, oh oh, oh oh, oh oh,  
Rock and roll, and out of my league.  
Is she out of my league?  
I dont know.  
Im in trouble, Im so clich,  
See, that word just wears me out.  
Makes me feel like just another boy  
To laugh and joke about.  
But even worse, I cant stop calling her,  
I love to hear that voice.  
And honestly, Im left with no choice.  
Ive been playing too much guitar,  
Ive been listening to jazz,  
I call so many times, I swear shes going mad,  
And that cellular will be the death of us, I swear, I swear.  
And oh, oh oh, oh oh, oh oh,  
Ooooooh, ooh ooh.  
Im running my mouth just like I got her,  
But I surely dont.  
Because shes so, oh oh, oh oh, oh oh,  
Rock and roll, and out of my league.  
Is she out of my league?  
Let's hope not.  
And oh, oh oh, oh oh, oh oh,  
Ooooooh, ooh ooh, ooh ooh ooh ooh.
