

# Neverstore, On Your Side

I would give it all away  
I burned my house down just to say  
That I would give it all away  
For only one more day with you

Don't you know  
I'm lost without you  
How could I  
Be without you  
Nothing can come inbetween  
You make my life complete

If I go  
Will you follow?  
Without you  
I am hollow  
Every day away from you  
Feels like a life time

You make breathe  
You make me feel  
You make me high  
And I'm allways on you side  
I'm allways on your side

You make breathe  
You make me feel  
You make me high  
And I'm allways on you side  
I'm allways on your side

Every day I think about you  
Every night I dream about you  
You entilte all that's why  
I'm melting in you eyes  
Safe to say, I would never  
Walk away  
Nothing matters, I do every thing for you  
Just because I care

You make breathe  
You make me feel  
You make me high  
And I'm allways on you side  
I'm allways on your side

You make breathe  
You make me feel  
You make me high  
And I'm allways on you side  
I'm allways on your side

[whisper] on you side

[whisper] on you side

You make breathe  
You make me feel  
You make me high  
And I'm allways on you side  
I'm allways on your side

You make breathe  
You make me feel  
You make me high  
And I'm allways on you side  
I'm allways on your side
