

# New Eden, I Am

Falling into life's abyss  
fate decides the mortal's test  
Hands that rule eternity  
I Am the one the one to be

Self it lasts infinitely  
but your life it counts you see  
Leave your thoughts and bring your soul  
It's you for whom the bell it tolls.

This is who I am free of ruling hand  
This is who I am who I am

Take a chance and live your fate - take a chance  
You'll never know until it's late -it's too late  
Leave your hate open the doors -leave your hate  
Destiny it can be yours -destiny

Hands of time reality universe eternity  
Enter realms of the damned  
Never really understand "I AM"

This is who I am free of ruling hand  
You are who I am who I am
