

New Eden, Symptoms Of Time

Ticking away the minutes build to make the seasons
Another day has come and gone without a reason

Why does time betray
The years leave you'

Behind you lies a path once tread
I had a life that you once knew
The moments pass and you'll regret
The sun will set and you'll forget the'

Millions of tears that you cried
The death that we all must die

Time mystery eternal
Give me a little peace of mind

Darkness and dawn the morning brings a new tomorrow
Came and now gone the yesterdays are picture in your'

Mind all gone away
Forever each and every day

Ticking away the moments dissolving slowly
Ever some day symptoms of time
Fight though me may the clock keeps on ticking
Never some day time marches on

Dying away the minutes store away the seasons
Time has betrayed the years have gone and left you all'

Behind time after time
Forever symptoms of time

Time mystery eternal give me a little peace of mind
Time mystery eternal truth you'll never find
Time mystery eternal give a little peace of mind
