

New Edition, Competition

I keep dreaming that one day the whole world
Will be together, will be together as one,
And there's nothing I can do, but pray that
It comes true, and keep on searchin' for
That miracle, that some say will never be

Competition, is the world summarized in
Just one word, and you know what I mean,
Friends competing with friends
Will it ever end
I'm losing all of my patience,
I need a way out, and soon

[Chorus:]
Time and again we are fighting one another,
Hurting our sisters and hurting our brothers,
It's a shame, why do we play these games,
But they'll come a time when we all will be together,
Living as one in harmony forever,
You and I, we will light the sky (aaaaaaahhhhh)

If we're ever gonna be as one,
We'd better make some changes and fast,
And this time make it last

Cause if we all just take the time,
I'm sure that we will find, all of us
Shed blood of the same kind
And that's the bottom line so

[Chorus 3x]

Together as one
Together (harmony)
Together (harmony)
