

# New Edition, Jealous Girl

Fellas

There's a jealous girl in our town

Ohh, baby

Fellas

There's a jealous girl in our town

Ohh, baby

I know you feel about

Me and my girl

But I gave you the first chance to

Be in my world

Now you are saying things

To keep us apart

You had the very chance to

Be in my heart

When I loved you, you didn't love me

Our love had no unity

All you ever told me were lies

It's my girl I know you despise

Fellas

There's a jealous girl in our town

Ohh, baby

Fellas

There's a jealous girl in our town

Ohh, baby

Girl I really hope you find another

I just can't take no more

Of you tryin' to be my lover

(Ooh)

You see

I've got what I want

And what I need

So girl

Won't you please try

Just to leave

When I loved you, you didn't love me

Our love had no unity

All you ever told me were lies

It's my girl I know you despise

Fellas

There's a jealous girl in our town

Ohh, baby

Fellas

There's a jealous girl in our town

Ohh, baby

(Ooh, ooh)

There's a jealous girl

In our town

There's a jealous girl

In our town

There's a jealous girl

In our town

There's a jealous girl

In our town

[Spoken - Mike:]

Hey girl  
(Hey girl)  
Why are you so jealous?  
I mean, you had your chance  
If you loved me so much, you wouldn't let me go  
(Let me go)  
Face it girl  
It's time for someone else  
All those times when I tried to show you how much I loved you  
And how much I cared for you  
You never seemed to have the time  
(I let go)  
Girl it's hurtin' me  
As much as it's hurtin' you  
But that's just how life goes  
You win some  
You lose some  
Sweatheart  
Point blank  
You lost this one

I just wanna let you know that it's hurting me so  
Girl I just had to let you go

There's a jealous girl  
In our town  
And it's you  
Girl it's you

There's a jealous girl  
In our town  
There's a jealous girl  
In our town  
There's a jealous girl  
In our town
