New Found Glory, Never Ending Story

[From the movie "The Never Ending Story"] [Originally by Limahl]

Turn around Look at what you see (yeah) In her face The mirror of your dreams (whoa) Make believe I'm everywhere Hidden in the lines Written on the pages Is the answer to a never ending story Never ending story Reach the stars And fly a fantasy (yeah) Dream a dream And what you see will be (yeah yeah yeah) Rhymes that keep their secrets Will unfold behind the clouds And there upon the rainbow Is the answer to a never ending story Never ending story Story... Never ending story (GO!) Show no fear For she may fade away (yeah) In your hands The birth of the new day (yeah yeah yeah) Rhymes that keep their secrets Will unfold behind the clouds And there upon a rainbow Is the answer to a.... Never ending story... (whoa whoa whoa) [x4]
