

# New Found Glory, Stay (I Missed You)

You say, I only hear what I want to  
You say, I talk so all the time, so

And I thought that what I felt was simple  
And I thought that I don't belong  
And now that I am leavin'  
Now I know that I did somethin' wrong 'cause I missed you  
Yeah... yeah, I missed you

And you say, I only hear what I want to  
I don't listen hard  
Don't pay attention to the distance that you're runnin'  
To anyone, anywhere, I  
Don't understand if you really care  
I'm only hearing negative  
No, no, no (bad)

So I, I turn the radio on, I turn the radio up  
And this woman was singin' my song  
Lover's in love and the other's run away  
Lover is crying 'cause the other won't stay  
Some of us hover while we weep for the other who was  
Dyin' since the day they were born, well  
Well, this is not that, think that I'm throwin'  
But I'm thrown

And I thought I'd live forever  
But now I'm not so sure  
You try to tell me that I'm clever  
That won't take me anyhow, or anywhere  
With you

You said that I was naive, and (naive...)  
I thought that I was strong, oh  
I thought, 'hey, I can leave, I can leave', oh (leave...)  
But now I know that I was wrong, 'cause I missed you  
Yeah... I miss you

You said, "You caught me 'cause you want me"  
And one day you let me go  
You try to give away a keeper  
Or keep me 'cause you know you're just so  
Scared to lose

And you say  
"Stay"

You say, I only hear what I want to
