

# New Found Glory, The King Of Wishful Thinking

(feat. Patrick Stump of Fall Out Boy)

[From the movie "Pretty Woman"]  
[Originally by Go West]

I dont need to fall at your feet  
Just cause you cut me to the bone  
And I wont miss the way that you kiss me  
We were never carved in stone

And If I dont listen to the talk of the town  
Then maybe I can fool myself  
Ill get over you I know I will  
Ill pretend my ships not sinking  
And Ill tell myself Im over you  
Because I am the king of wishful thinking  
Because I am the king of wishful thinking

I refuse to convince you my bruise  
Thats not how its gonna be  
And I deny the tears in my eyes  
I dont wanna let you see, no

That you had made a hole in my heart  
And now Ive got to fool myself  
Ill get over you I know I will  
Ill pretend my ships not sinking  
And Ill tell myself Im over you

Because I am the king of wishful thinking  
Ill get over you I know I will  
Ill pretend my ships not sinking  
And Ill tell myself Im over you  
Because Im the king of wishful thinking

If I dont listen to the talk of the town  
Then maybe I can fool myself  
Ill get over you I know I will  
Ill pretend my ships not sinking  
And Ill tell myself Im over you  
Because Im the king of wishful thinking  
I am the king of wishful thinking  
Ill get over you I know I will  
You made a whole in my heart  
But I wont shed a tear for you  
Ill be the king of wishful thinking  
(Ill be the king of wishful)

Ill get over you I know I will  
Ill pretend my hearts still beating  
Cause Ive got no more tears for you  
I am the king of wishful thinking  
(king of wishful thinking) no
