

# New Kids On The Block, Dirty Dancing

Wasn't in the mood for dancin', forget about romancin'  
Cause I already got a lady  
Wasn't tryin' to be flirty, wasn't feeling dirty  
'Til this shorty started runnin' on me

With her itty-bitty waist and her pretty pretty face  
And the leanest, meanest, badest, badest body  
Didn't have no time to waste, she was looking for a taste  
And she was wanting me to party

Bridge:

Ooo, It's so crazy, she's like Baby, I'm like Swayze  
I said, Ooo, and I'm burning up  
So, lets turn it up, I said turn it up now

Chorus:

She's dirty dirty dancing, dirty dancing on me  
She's dirty dirty dancing, dirty dancing on me  
She's dirty dirty dancing, dirty dancing, dirty dancing on me  
She's dirty dirty dancing, dirty dancing on me

Now, I ain't looking for no drama,  
I don't want karma cause my baby sittin' in bed at home  
She know that I be lying and that I be trying  
To be trying to get this shorty with me all alone

with her pretty lips and her big 'ol hips  
It's getting hotter when she touches me with her fingertips  
And her sexy eyes and those big 'ol thighs  
It's getting hotter like The Block up in the summertime

Bridge

Chorus

(2x)Now, I know that my girl is alone  
And she's been blowing me up on my phone  
But I can shower when I get back home  
Cause tonight I'm dancing dirty, yeah..

Bridge

Chorus (2x)
