

# New Kids On The Block, Games (The Kids Get H

No more games is about positivity  
And positivity is not about being soft  
It's about being smart  
You sucker

Ain't It Funky

Yeah we're gonna send this one out  
To all those non-believers out there  
Who been tryin to put us down and keep us down  
For the past five years  
I'm gon tell you what  
We ain't goin out like that  
You think this is a love song  
Wrong  
The NKOTB is too strong

Games games games games games

Somebody said somebody  
Wouldn't last too long  
Somebody keep going strong  
Somebody said somebody was all a front  
Somebody still talking junk

Think of what you say  
Think of what you do  
Think of what you're trying to put us through  
We're just singing a song

When you put us down  
It ain't gonna get you nowhere  
We're positive  
And no matter what you think we really care

Games

Games games games games games

Somebody said somebody worked too hard  
Somebody gotta charm some hearts  
Somebody said everybody's gonna wait & see  
What's gonna be is gonna be  
We don't need your games

Think of what you say  
Think of what you do  
Think of what you're trying to put us through  
We're just singing a song

When you put us down  
It ain't gonna get you nowhere  
We're positive  
And no matter what you think we really care

Games

No more games boy  
So what ya saying

Beat the beatness  
Cos Donnie ain't playin  
Witness the quickness  
As I kick this  
I'm on a mission  
So listen as I dismiss  
All this negativity by takin a stand  
Cos we're five bad brothers from the bean town land  
No sell out  
So get the hell out  
We do it our way  
Who gives a damn about what critics say  
Said we wouldn't last  
Said our time will pass  
In just a flash  
But we're still kicking ass  
The DONNIE  
The WAHL to the BERG  
That's funky  
And now the games must cease  
And to the non-believers I say peace  
Stop playin those games
