

New Kids On The Block, I'll Be Loving You

I'm not that kind of guy who can take a broken heart

So don't ever leave

I don't want to see us part

the very thought of losing you means

that everything would go down under

i'll be loving you forever

just as long as you want me to be

i'll be loving you forever

all this love's for you and me

i'll be loving you

i'll be

i'll be loving you

loving you

and the things you do

yaaa it's forever

i'll be loving you

i'll be

i'll be loving you

loving you

yaaa

i count the blessings that keep our love new

there's one for me and a million for you

there's just so much that i wanna say

that when i look at you all my thoughts get in the way

i'll be loving you forever

just as long as you want me to be

i'll be loving you forever

all this love's for you and me

yaaaaa

i'll be loving you

i'll be

i'll be loving you

loving you

the things you do

yaaa it's forever

i'll be loving you

i'll be

i'll be loving you

loving you

yaaa

We've come to far

to ever turn back now

this love will last forever

i can see it all now

i'll be loving you

i'll be

i'll be loving you

loving you

the things you do

yaaa it's forever

i'll be loving you

i'll be

i'll be loving you

loving only you girl

oh girl

i'll be loving only you
