

New Kids On The Block, Let's Try It Again

I've heard of true loves that lasted forever, I guess there is a way,
and I've heard of true loves that needed each other more and more each day.
What is love when there's no one that cares?
Next time you need my love I'll be there, be right by your side.
Let's try it again, try it again, let's try it again,
my love for you, it has no end.
Let's try it again, 'till the end, all because I love you.

I've heard of two loves that stayed with each other,
didn't wander through the night,
and I've heard of two loves that prayed for each other,
didn't argue, fuss or fight.
Now I know just what love's all about.
Next time you need my love I won't doubt, doubt your love again.
Let's try.... [repeat & fade]
