

# New Musik, Dead Fish (Don't Swim Home)

Some things in life I see  
I don't understand  
Sometimes I miss the point  
To things that they've planned  
I know dead fish don't swim home  
When the seas get left alone  
When things don't go as well  
As they would have planned  
The big fish lose control  
Big fish on the land  
I know dead fish don't swim home  
When the seas get left alone  
I know dead fish don't swim home  
When things go wrong  
The big fish sound the alarm  
Potential dangers lead  
To potential calm  
I know dead fish don't swim home  
When the seas get left alone  
They play their games with toys  
They welcome a war  
When will the big fish learn  
Just what life is for  
I know dead fish don't swim home  
When the seas get left alone  
I know dead fish don't swim home
