

# New Musik, Kingdoms For Horses

Is there no way out  
From everything you'll ever understand  
Is there no way out  
You'll never leave the station that you manned  
Kingdoms for horses  
Run from your life  
Kingdoms for horses  
You'll just go round in circles  
Is there no way out  
From everything in time with everywhere  
Is there no way out  
To emptiness and silence in the air  
Kingdoms for horses  
Run from your life  
Kingdoms for horses  
You'll just go round in circles  
Is there no way out  
Well  
Is there no way out  
Well  
Kingdoms for horses  
Run from your life  
Kingdoms for horses  
You'll just go round in circles  
Is there no way out  
Well  
It's heaven and it's hell and it's alive  
Is there no way out  
Well  
It's all you ever needed to survive  
Kingdoms for horses  
Run from your life  
Kingdoms for horses  
You'll just go round in circles  
Kingdoms for horses  
Kingdoms for horses
