

New Order, Every Second Counts (Live At Bbc)

Every little counts
When I am with you
I think you are a pig
You should be in a zoo
I guess I should've known
I'd end up on my own
Every second counts when I am with you

Every little counts
When I am with you
Even though you're stupid
I still follow you
The smile upon your face
It always stays in place
Every little counts oh, when I am with you
(Do-do-do-do...)
Every second counts oh, when I am with you

Every second counts
When I am with you
Even though you're stupid
I still look at you
The smile upon your face,
It always stays in place
Every little counts when I am with you
(Do-do-do-do...)

Every second counts when I am with you
Every second counts when I am with you
(Think you are a pig, you should be in a zoo...)
