

# New Order, I?ll Stay With You

Hey, you, what is the matter?  
Tell me the truth, I won?t laugh at you.  
Where these words grew?  
Were they unkind?  
That guy?s a fool, he?s crossed the line.

I?ll stay with you  
Till hell freezes over.  
We?re at to each other  
Like sister and brother.  
You?re one of a kind,  
High on my agenda,  
Oh, I?ll change your mind,  
When will you surrender?

We never left in,  
Your world felt unharmed  
It cut like a blade  
Right through your heart.  
And where your friends  
Just when you needed them?  
They were not there,  
Why did you believe in them?

I?ll stay with you  
Till hell freezes over.  
We?re at to each other  
Like sister and brother.  
You?re one of a kind,  
High on my agenda,  
Oh, I?ll change your mind,  
When will you surrender?

I?ll stay with you  
Till hell freezes over.  
We?re at to each other  
Like sister and brother.  
You?re one of a kind,  
High on my agenda,  
Oh, I?ll change your mind,  
When will you surrender?  
When will you surrender?
