

# New Order, True Faith (The Morning Sun)(live At

I feel so extraordinary  
Something's got a hold on me  
I get this feeling I'm in motion  
A sudden sense of liberty  
That's the way that we must pay  
You got my time and you got my money  
Now I feel you've started something  
In a world that's so becoming  
I used to think that the day would never come  
I'd see delight in the shade of the morning sun  
My morning sun is the drug that brings me near  
To the childhood I lost, replaced by fear  
I used to think that the day would never come  
That my life would depend on the morning sun...

When I was a very small boy,  
Very small boys talked to me  
Now that we've grown up together  
They're afraid of what they see  
That's the price that we must pay  
And the value of destiny comes to nothing  
I don't notice where we're going  
I guess there was just no way of knowing  
I used to think that the day would never come  
I'd see delight in the shade of the morning sun  
My morning sun is the drug that brings me near  
To the childhood I lost, replaced by fear  
I used to think that the day would never come  
That my life would depend on the morning sun...

I feel so extraordinary  
Something's got a hold on me  
I get this feeling I'm in motion  
A sudden sense of destiny  
The chances are we've gone too far  
You took my time and you took my money  
Now I think you've started something  
In a world that's just begun  
I used to think that the day would never come  
I'd see delight in the shade of the morning sun  
My morning sun is the drug that brings me near  
To the childhood I lost, replaced by fear  
I used to think that the day would never come  
That my life would depend on the morning sun...  
I used to think that the day would never come  
I'd see delight in the shade of the morning sun  
My morning sun is the drug that brings me near  
To the childhood I lost, replaced by fear  
I used to think that the day would never come  
That my life would depend on the morning sun...
