

New Radicals, Dasd

Wake up kids
We've got the dreamers disease
Age fourteen
we got you down on your knees
So polite
you're busy still saying please
Frenemies
who when you're down ain't your friend
Every night
we smash their mercedes-benz
First we run
and then we laugh till we cry
But when the night is falling
and you cannot find the light
If you feel your dream is dying
Hold tight
You've got the music in you
Don't let go
You've got the music in you
One dance left
This world is gonna pull through
Don't give up
You've got a reason to live
Can't forget you only get what you give
Four a.m. we ran a miracle mile
were flat broke but hey we do it in style
The bad rich
God's flying in for your trial
(chorus)
This whole damn world can fall apart
You'll be ok follow your heart
You're in harms way I'm right behind
Now say youre mine
(chorus)
Fly high
What's real can't die
You only get what you give
Just dont be afraid to leave
Health insurance rip off lying fda big bankers buying
Fake computer crashes dining
Cloning while they're multiplying
Fashion shoots
with Beck and Hanson
Courtney Love and Marilyn Manson
You're all fakes
Run to your mansions
Come around
We'll kick your ass in
Don't let go
One dance left
